

The image is a complex web page layout for a Formula 1 news article. It features a dark blue header with a 'section' label. The main content area is divided into several columns and sections. A large hero image of a race car is prominent at the top. Below it, there's a section with a video player and a 'button' labeled 'Watch now'. The main article text is in a large, readable font. To the right of the main text, there's a sidebar with a 'div' label. Below the main text, there's a section with a 'div' label and a 'button' labeled 'Use code BFSALE40 for 40% off!'. This is followed by a section with a 'div' label and a 'button' labeled 'Use code BFSALE40 for 40% off!'. Below this, there's a section with a 'div' label and a 'button' labeled 'Use code BFSALE40 for 40% off!'. The footer contains a 'div' label and a 'button' labeled 'Use code BFSALE40 for 40% off!'. The layout is clean and professional, with a focus on the race car and the article content.
